How do I use discount codes in DdD Report?

How do I use discount codes in DdD Report?

If you are set up to use the discount codes in the DdD POS, you can analyze the sales in DdD Report.

You must use the dimension: **Discount text** when you create your report.

You can build a report like this below, but this is up to you.

PLEASE BE AWARE THAT DISCOUNT CODES ARE INDIVIDUAL FOR EACH COMPANY. THEREFORE YOURS CAN BE DIFFERENT.
